Lift Pass Agreement

This statement applies to all Chester Bowl Park lift pass users, whether alpine skiers, Nordic skiers, snowboarders, or users of any other "skiing equipment" permitted at the area. The purchaser and/or user of a pass agrees and understands that such activities can be hazardous and assumes all risks of personal injury, or loss of, or damage to property; both personal and that of others. Trail conditions vary constantly because of weather changes and skiers use. Ice, variations in terrain, moguls, terrain-park features, forest growth, rocks and debris, lift towers and other obstacles and hazards, including other skiers, exist throughout the area. Be aware that snowmaking and snow grooming may be in progress. Always ski in control and stay clear of this equipment. By using a pass and skiing at Chester Bowl Park, such dangers are recognized and accepted. A pass may be revoked without refund at any time for violation of management rules or for misconduct or nuisance caused by the user. A pass must be visible at all times and attached to permanent clothing.

Lesson Participation Agreement

All participants in Chester Bowl Improvement Club lessons must hold a valid lift pass, regardless of the type of skiing equipment taught, level of instruction, or participant/instructor ratio. Participants, and, in the case of minors, their legal guardians, understand and accept the above agreement with respect to the inherent hazards of skiing and the assumption of risks. All lesson participants, regardless of age, are required to wear helmets, and understand that helmets reduce the risk or degree of injuries, but are no guarantee of safety. Participants understand that proper instruction can increase control and thereby reduce the risks of skiing, but cannot eliminate them. Participants understand that the Chester Bowl Improvement Club and its instructors make reasonable efforts to provide the instruction in a manner and environment that is conducive of learning the skills being taught while reducing the risks, but cannot guarantee absolute safety. Participants, and, in the case of minors, their legal guardians, release the Chester Bowl Improvement Club and its instructors from any liability for personal injury, or loss of, or damage to property, both personal and that of others, and assume full responsibility for any and all such damage or injury.

Equipment Rental Agreement

I accept for use, by myself and my listed family members, the equipment listed on the rental form as is. I accept full responsibility for the care of the equipment while it is in my possession, and I agree to reimburse the Chester Bowl Improvement Club for any loss or damage other than reasonable wear resulting from use. I agree that this equipment will be used primarily at Chester Bowl and be returned by March 31, 2010.

I understand that the bindings furnished herewith are designed to reduce the risk or degree of injuries from falling. I further understand that the settings on the equipment are based upon the information we provided regarding the user's weight and skiing ability and waive any liability for settings based upon inaccurate information. I also understand that, despite proper fitting adjustments with accurate information, the bindings will not release under all circumstances and are no guarantee of the user's safety. I furthermore release the Chester Bowl Improvement Club from any liability for damage and injury to myself, my family members, or to any other person or property resulting from the negligence, selection or adjustment by the Chester Bowl Improvement Club, or from the use of the equipment by myself and my family members. My family and I accept the full responsibility for any and all such damage or injury.

BY SIGNING BELOW I ACKNOWLEDGE AND ACCEPT THIS ENTIRE AGREEMENT.
