

Price: Individual Season Pass \$140.03
\$75 refund with 6 volunteer hours

Family Season Pass \$205.05
\$75 refund with 6 volunteer hours

As a Chester Bowl Season Pass Holder, you can receive great benefits at many of our partner ski areas! We truly appreciate the generosity of ALL of these recreation areas, and we hope that you can take advantage of these deals! Each of these applies to each person in a family with a season pass.

Pass holder benefits for the 2016/2017 season:

MOUNT ASHWABAY- Bring your Chester Bowl season pass to their ticket window, to get a free lift ticket for the day. No restrictions or black out dates. Can be used once per season.

GIANTS RIDGE- Each Chester Bowl season pass to their ticket window is eligible for one free lift ticket. Available Sundays through Fridays. Restrictions: No Saturdays, Holidays, or Race Days. Can be used once per season. You must come in to Chester Bowl to get the tickets in person from us.

LUTSEN- At Lutsen, you are eligible for up to three half price passes per person, to be used on consecutive days only. To redeem, you must come to Chester Bowl in person & talk to Dave or Sam and get a code. No phone or email codes. Can be used once per season.

MOUNT DU LAC- Bring your Chester Bowl season pass to their ticket window, to get a free lift ticket for the day. This benefit can be used once per calendar month. Not available for taking part in ski races.

SPIRIT MOUNTAIN- Bring your Chester Bowl season pass to their ticket window, to get a free lift ticket for the day. No restrictions or black out dates. Can be used once per season. In addition, Chester Bowl season tickets holders can also buy a Spirit Mountain season pass for \$99 if and only if they are purchasing their first Spirit Mountain season pass ever. This offer is not valid for individuals who have had Spirit Mountain season passes in prior seasons.

When you redeem your free tickets from our sponsors, please thank the staff and management for their support of Chester Bowl.

Happy Skiing & Boarding!
