Volunteering

Chester Bowl is a community driven family recreation program. Without the volunteer efforts of the winter program participants Chester Bowl would not be possible. Last year we had 5,400 documented volunteer hours!

Become a volunteer!

Each family participating in Chester Bowl's winter program pays a volunteer deposit and is responsible to complete 6 or 12 volunteer hours depending on their level of participation. In order to be eligible for a deposit refund at the end of the season, families must complete their full volunteer commitment. [Click here to view the available volunteer opportunities!](#)

Chester Bowl Cadet Program

Volunteering is not just for adults! Chester Bowl offers a youth leadership program that provides an opportunity for 7th-10th graders to help teach ski & snowboard lessons, teach people to ride the chairlift, maintain the terrain park, and help those in need on the hill. Cadets volunteer 50 hours a season and in exchange for their time, Cadets get access to leadership training, get their very own Chester Bowl Cadet jacket, and get free food while volunteering.

Freestyle Fridays

Do you have skiers and snowboarders in your family that would like to test their skills, learn new tricks, and compete against peers during low pressure events? Consider signing up your kids for Freestyle Fridays. Each event features a different contest style and sponsor. Chester Bowl provides coaches to guide and mentor participants so that they can learn as much as possible. Best of all, the event is free!
